

Finally!

A proven 'no-involvement' method for growing your client list **when people are most receptive.**

It's the Houseful of Christmas Promotion

Grow your customer base with this incredible - no involvement profile builder.

It's a fun and engaging way to capture prospect email addresses and build your client base. PLUS, it's all automatic and affordable.

Here's why it works.

Perfect Timing

Clients are more active online and have more free time over the holiday season. And Christmas promotions get HUGH interest.

Autopilot

We do it all for you making this an easy way to build your client list. And we can help you from a standing start.

Fulfilment

Contest winners get prizes and notification automatically. You get the contest entrant list for an affordable investment.

Here's how it works

The Houseful of Christmas Contest

Future clients from your market area enter to win a desirable house related prize and then earn other entries by spreading the word. With free social media support, prospects are doing all the work and drawing others to your contest page to enter as well.

We supply the incredible video content (with your branding), a custom landing page, prizes, and all the magic to make this work.

And remember - It's all automatic for you. You can even start with a 'zero client' base!

We provide everything

- ✓ Your company branding on the contest landing page
 - ✓ Your company branding on the contest video
 - ✓ Additional free ways to build contest prospects
 - ✓ Optional marketing email template for existing clients
 - ✓ Total administration of the program by us
 - ✓ Prize fulfillment by us
 - ✓ Updated list of contest entrants/ business prospects
 - ✓ Full contest 'wrap up' report
- and more...*

Build your email database, raise your profile,
and meet new clients - all with the flick of a switch.
Sound impossible? it's not when you sign up for the
Houseful of Christmas promotion. This is an early
opportunity to be exclusive in your area.
